Georgia's School Superintendent  
"Educating Georgia's Future"  
[gaDOE.org](http://gaDOE.org)

**Dual Enrollment** provides high school students with the opportunity to take college courses for both high school and college credit.

## Dual Enrollment Funding

Eligible high school students enrolling in a participating college or university and taking approved college courses for both high school and college credit are eligible for funding through Georgia's **Dual Enrollment Program**.

# Dual Enrollment Definitions

Richard Woods,  
Georgia's School Superintendent  
"Educating Georgia's Future"  
[ga DOE.org](http://ga DOE.org)

*'Eligible high school student' means a student entering 9th, 10th, 11th, or 12th grade at an eligible high school.*

*'Eligible high school' means any private or public secondary educational institution located within Georgia and any home study program pursuant to Code Section 20-2-690.*

*'Dual credit course' means a postsecondary course taken by an eligible high school student at or through an eligible postsecondary institution for which the student receives secondary credit from his or her eligible high school.*

# Why Participate?

# Student Expenses

Students *may* have some expenses:

- Course-related fees and materials required for a particular course (lab fees, materials, supplies, etc.)
  - Fees that are optional to the student (parking, meal plan, room and board, graduation fee, etc.)
  - Orientation fee, unless orientation is required
- 
- Charges or fines incurred due to actions taken by the student (parking tickets, library fines, etc.)
  - Lost or damaged book charges (cost of book minus the book allowance or \$75, whichever is less)

# HOPE Grant for High School Postsecondary Graduation Opportunity (SB2)

## HOPE Grant

Based on section 304.9, Alternative Graduation Option, of the 2017-2018 (FY 2018) Program Regulations, students graduating high school through the SB2 Option and who chose to pursue an associate degree under SB 186, will be identified in SURFER. Eligibility for the HOPE Grant in a student's first 30 semester hours of pursuing an associate degree at a Technical College System of Georgia institution will be indicated on the Student Demographics screen with a "Yes" indicator. Additionally, field 38 of the GAD file will be populated with a "Y", indicating yes.

[ga DOE.org](http://ga DOE.org)

# School Counselor Responsibilities

Richard Woods,  
Georgia's School Superintendent  
"Educating Georgia's Future"  
[gaDOE.org](http://gaDOE.org)

- Provide general DE information by February 1 each year.
- Provide student advisement and complete/sign-off on the Student Participation Agreement Form.
- Complete the counselor's portion of the online funding application.
- Students and Parents should be made aware of the local school system policy regarding the withdrawal from DE courses and impact on the student's transcript.
- Record courses and grades on student's transcript for dual enrollment credits earned.
- Encourage students to be mindful of deadlines and graduation requirements.

# Things to Know

Richard Woods,  
Georgia's School Superintendent  
"Educating Georgia's Future"  
[gaDOE.org](http://gaDOE.org)

- Students must seek approval from their high school counselor before making changes to their college schedule.
- Participation may begin in fall of 9<sup>th</sup> grade year.
- A student's 12th grade year concludes at the end of the spring term after four years of the student's high school enrollment beginning in the 9th grade.
- Students may continue participation until they graduate high school even if their graduation requirements are satisfied early.
- Only degree level DE core courses can receive the .5 weight and meet the academic rigor course categories of the HOPE/Zell Scholarship.

# Things to Know

Richard Woods,  
Georgia's School Superintendent  
"Educating Georgia's Future"  
[gaDOE.org](http://gaDOE.org)

- Only full-time DE students are eligible to take PE at any USG institution. PE classes are not available to DE students at TCSG institutions. Students must check with private institutions for their policies.
- Algebra II is a prerequisite to take college level math through Dual Enrollment.
- High schools should be consistent with procedures, schedules, and expectations for DE students just as they are with non-DE students.
- Local systems earn and retain their FTE funding.

As of July 1, 2018:

- A student is eligible for the Dual Enrollment Program funding up to a TOTAL of 15 semester or 12 quarter hours per term. Full-time Enrollment is not a requirement.

\*Some colleges do not charge students tuition for any hours over 15 credit hours.

# DE Grading and Weights

Richard Woods,  
Georgia's School Superintendent  
"Educating Georgia's Future"  
[gaadoe.org](http://gaadoe.org)

- Grade Conversion - local system determines conversion scale for the college letter grade.
- Grade Weight - only degree level core courses receive a .5 weight, up to a maximum 4.0, and count as "academic rigor" courses for HOPE Scholarship.
- Class ranking - local systems determine class rank and cannot exclude DE students from eligibility for valedictorian and salutatorian except for students moving in after their sophomore year and not taking any courses on site at the high school.
- DE passing grade of "D" at the college is up to the local system whether to accept it as passing grade or not.

# GADOE EOC Exam Exemptions

Richard Woods,  
Georgia's School Superintendent  
"Educating Georgia's Future"  
[gadoe.org](http://gadoe.org)

## GADOE Rule 160-3-1-.07 – Testing Programs – Student Assessment

[www.gadoe.org/External-Affairs-and-Policy/State-Board-of-Education/SBOE%20Rules/160-3-1-.07.pdf](http://www.gadoe.org/External-Affairs-and-Policy/State-Board-of-Education/SBOE%20Rules/160-3-1-.07.pdf)

EOC exam required of all students	Dual Enrollment exempt*
Ninth Grade Literature and Composition	American Literature/Composition
Algebra I or Coordinate Algebra	Physical Science
Geometry or Analytic Geometry	United States History
Biology	Economics/Business/Free Enterprise

\*Postsecondary grades earned in these courses are used in the state accountability system.

# GADOE and FTE Requirements

Richard Woods,  
Georgia's School Superintendent  
"Educating Georgia's Future"  
[gadoe.org](http://gadoe.org)

- Dual enrollment students must have a minimum of 4 college classes (with 12+ semester hours) to be considered full-time dual enrollment.
- Students who are not full-time dual enrollment must take enough classes between their high school and college to be considered full-time.
- The number of courses required depends on the high school schedule. For example:

6 period day = 6 classes

7 period day = 7 classes

4 block = 4 classes

- College science course labs do not count in the above.

# Dual Enrollment Course Withdrawals

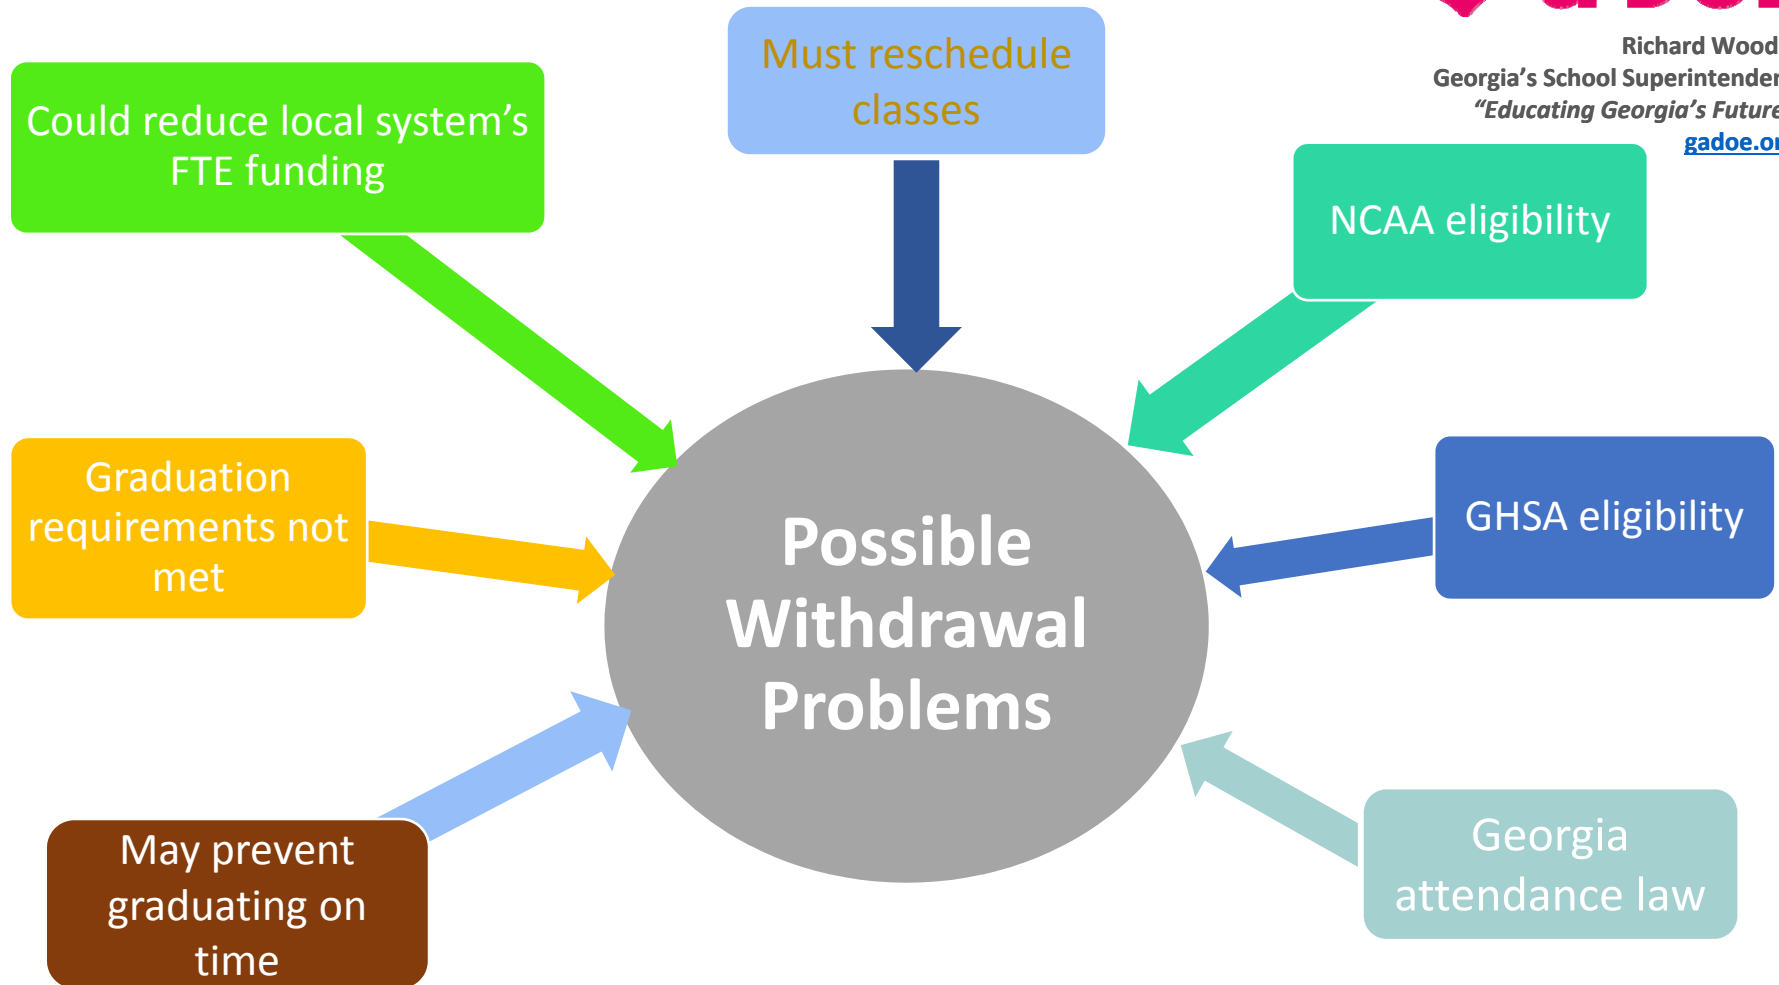

Richard Woods,  
Georgia's School Superintendent  
"Educating Georgia's Future"  
[ga DOE.org](http://ga DOE.org)

- The eligible DE student should contact the high school counselor for approval before **any** course is dropped or any schedule change is made during the semester or quarter.
- Should a participating DE student choose to withdraw from a college course, the high school will make its best attempt to place that student in a corresponding high school course or online credit opportunity to meet course completion and graduation requirements.
- If no corresponding course or credit recovery opportunity is possible, the **local school system** shall determine how the course will be recorded as a withdrawal or incomplete on the student's transcript. The "Z" grade can be used.
- The high school must record all DE courses and grades on the high school transcript.

# Dual Enrollment Course Withdrawals

Richard Woods,  
Georgia's School Superintendent  
"Educating Georgia's Future"  
[ga DOE.org](http://ga DOE.org)

# “Z” Grade

A grade of “Z” can be given when no final grade is expected, as in the case when a DE student withdraws from the college course and receives a “W” at the college.

Districts are to report all courses, including all DE courses completed or not, in the end-of-year Student Class file.

The “Z” grade allows for the documentation of the dropped DE class without penalizing the student with a failing grade.

Richard Woods,  
Georgia's School Superintendent  
"Educating Georgia's Future"  
[gaDOE.org](http://gaDOE.org)

# Questions Concerning Repeating Courses

Richard Woods,  
Georgia's School Superintendent  
"Educating Georgia's Future"  
[gaDOE.org](http://gaDOE.org)

- Can students take DE courses that are matched with high school courses students have already passed at the high school? *Yes, as long as you use the course # with a letter embedded.*
- Can DE students retake DE courses the student has already taken and passed to try and earn a better grade? *Local school decision. A course can only count once for a graduation requirement.*
- Can students retake DE courses they have failed? *A local school decision.*

## EARN COLLEGE CREDIT WHILE STILL IN HIGH SCHOOL

Georgia's Dual Enrollment Program allows qualified high school students to maximize their education and career training by taking courses that earn college and high school credit at the same time.

Under Dual Enrollment, students may take academic core courses that can transfer to TCSG colleges or USG colleges and universities. Students may also take occupational and career courses that can help jump start a career.

Students who are in the 9th, 10th, 11th, or 12th grades, attend a participating Georgia high school or an approved home study program may qualify to take college level courses under the Dual Enrollment Program.

### MAKE THE MOST OF YOUR TIME

- Smaller class sizes
- Summer, fall and spring terms
- Courses may be available at the TCSG college campus, high school campus, or online

### COLLEGE SAVINGS, NO TUITION COSTS

- Free tuition with textbooks provided by the college
- Experience the dynamics of a college classroom
- Be better prepared for your future

ENROLLING IN MOWR IS AS EASY AS 1, 2, 3!

## 1 - Pre-Planning

You and your parent/guardian speak with your high school counselor about the MOWR program or other dual enrollment options. During this meeting, everyone will sign the [Student Participation Agreement form](#).

## 2 - Admissions

- Complete the admissions application for the TCSG college you wish to attend. **There is no fee to apply.**
- Submit SAT or ACT test scores – OR – complete the Accuplacer Assessment through the college. See [Resources](#) for more Accuplacer information.
- Complete the [MOWR Financial Aid Application](#).

**PART I:** Students and parents complete this section. Students attending a public or private high school should log in to [GAFutures.org](#) and complete the [MOWR Funding Application](#) online. [Here is a step-by-step guide to completing the funding application](#). Students attending a home study program must complete the [MOWR Paper Application](#) and send it to office listed on the application.

**PART II:** High school counselors or home study instructors complete this section.

**PART III:** TCSG Colleges complete this section.

## 3 - Advisement

Speak with a high school coordinator at a TCSG college to:

- Discuss course options
- Get registered for class
- Obtain information on getting books for your courses

Double the credit.  
Half the time.  
Zero the tuition.

# Approved Postsecondary Courses

[ga DOE.org](http://ga DOE.org)

- The Dual Enrollment Course Directory on GAfutures is the official list of approved course alignments.
- 27,000+ approved alignments are currently in the Directory.
- A postsecondary course must be aligned to a high school course to appear in the Directory.
- Postsecondary institutions must initiate alignment requests.
- High schools should contact their local college or university if an additional alignment is needed.
- GADOE reviews all new alignment requests. The complete review process can take several weeks (or longer).
- Newly approved course alignments are added weekly.
- Students should be strongly cautioned against enrolling in any course that does not appear in the Directory unless they are willing to pay for the course and do not need high school credit.

#### Dual Enrollment Course Directory

Dual credit enrollment hours taken at a postsecondary institution and paid for by Dual Enrollment funding are not counted as attempted-hours, nor are the hours included in the combined paid-hours limit.

# Tips for Selecting Courses

Richard Woods,  
Georgia's School Superintendent  
"Educating Georgia's Future"  
[ga DOE.org](http://ga DOE.org)

- The prerequisites listed in the Directory should be consulted.
- GATRACS (available on GAfutures) helps students identify courses that will transfer in Georgia.
- Students planning to attend a USG institution following high school graduation should consult the USG's [Staying on Course](#) document to ensure the USG's Required High School Curriculum (RHSC) is completed.
- Students starting at a TCSG institution with plans to transfer to a USG institution should consult the [TCSG-USG General Education Transfer Chart](#).
- Only USG students participating in dual enrollment full-time are eligible to take a PE course and have it funded through the program.

# Unique Dual Enrollment #s (1/6)

Richard Woods,  
Georgia's School Superintendent  
"Educating Georgia's Future"  
[gadoe.org](http://gadoe.org)

**Challenge:** GADOE does not allow public high schools to list duplicate courses on a student's high school transcript.

**Solution:** The PSI can request the creation of a "unique dual enrollment number" to give high schools another alignment option.

## Example:

- Student took 23.042 (Oral/Written Communication (Speech)) in high school.
- Student wants to take COMM 1110 (Public Speaking) through dual enrollment.
- But COMM 1110 is aligned to 23.042 in the Directory so would result in duplicate credit.

Term	HS Course Number	HS Course Title	PS Course Number	PS Course Title	Hours	PreRequisites
Fall	23.04200	Oral/Written Communication (Speech)	COMM 1110	Public Speaking	3	Pre- or Co-requisite: ENGL 1101
Fall	23.0A624	Dual Enrollment English/Language Arts USG (COMM 1110 Public Speaking)	COMM 1110	Public Speaking	3	Pre- or Co-requisite: ENGL 1101

**Challenge:** Some PSI courses do not have a “comparable” high school course.

**Solution:** “Unique dual enrollment numbers” can also be assigned when a postsecondary course does not have a high school alignment.

## Example:

- A USG institution offers PHYS 3143 (Quantum Mechanics) but there is not a comparable high school course for an alignment.
- The postsecondary can request the creation of a “unique dual enrollment number” for PHYS 3143 so the alignment can be included in the Directory.

Term	HS Course Number	HS Course Title	PS Course Number	PS Course Title	Hours	PreRequisites
Fall	40.0B624	Dual Enrollment Physical Science Course USG (PHYS 3143 Quantum Mechanics I)	PHYS 3143	Quantum Mechanics I	3	(PHYS 2212 grade of D or higher or PHYS 2232 grade of D or higher) and (MATH 2403 grade of D or higher or MATH 2413 grade of D or higher)

**Additional examples of college courses without a comparable high school course:**

## Piedmont College

## Math Alignments

All math alignments use "unique dual enrollment numbers".

MATHEMATICS						
Term	HS Course Number	HS Course Title	PS Course Number	PS Course Title	Hours	PreRequisites
Spring	27.0A494	Dual Enrollment Mathematics Reinhardt (MAT 102 College Algebra)	MAT 102	COLLEGE ALGEBRA	3	none
Spring	27.0A504	Dual Enrollment Mathematics Reinhardt (MAT 103 Introduction to Statistics)	MAT 103	INTRODUCTION TO STATISTICS	3	none
Spring	27.0D314	Dual Enrollment Mathematics Reinhardt (MAT 121 Pre-Calculus)	MAT 121	Pre-Calculus	4	College placement or a grade of C or better in MAT 102.

- Students are prepared to tackle college level courses only after they master the college readiness standards associated with Adv Alg or Alg II.
- See the GADOE Mathematics Graduation Guidance document and FAQs for more on information on graduation requirements -

[www.gadoe.org/Curriculum-Instruction-and-Assessment/Curriculum-and-Instruction/Pages/Mathematics.aspx](http://www.gadoe.org/Curriculum-Instruction-and-Assessment/Curriculum-and-Instruction/Pages/Mathematics.aspx).

- College-level math courses (College Algebra or higher) satisfy the 4<sup>th</sup> math unit of the USG's RHSC.

## Foreign/World Languages

Multiple alignments are used to give flexibility in how students are placed in college foreign language and to give high schools the flexibility to give students appropriate foreign language credit based on where the student is in their high school foreign language sequence.

WORLD LANGUAGE						
Term	HS Course Number	HS Course Title	PS Course Number	PS Course Title	Hours

## Foreign/World Languages

"Unique dual enrollment numbers" are not assigned in this area. Students should be given the next appropriate high school credit in the student's foreign/world language course sequence.
